

GENERAL STATEMENT**EU REACH REGULATIONS FOR CHEMICALS**

According to REACH Regulation No. 1907/2006 registration [Title II] and evaluation [Title VI] does not apply to POLYMERS [Article 2, Section 9].

Cowie® PTFE products use the polymer PolyTetraFluoroEthylene which is not subject to REACH Registration.

Pre-registration for monomer precursors has been completed.

This document declares that all raw materials used in the manufacture of Cowie® PTFE Products, to our current knowledge, do not contain any of the 247 Substances of Very High Concern (SVHC) at an individual concentration of $\geq 0.1\%$ (w/w) that are on the European Union (EU) REACH Candidate List, as published by the European Chemical Agency (ECHA) on 25th January 2025.

Other chemicals used by Cowie total less than 1 tonne per year for each substance.
